Copper material

PATINA NATURAL
A pega de
cobre da asa
propositadamente
não tem
tratamento
de superfície,
para que possa
desenvolver a sua
própria pátina ao
longo do tempo
conforme o uso e
o ambiente onde
está inserido.

NATURAL PATINA
The pull handle
copper part doesn't
have a surface
coating on purpose,
so it can develop
its own patina over
the time according to
the use and the

it is inserted.
